

# Muse, Cave

Leave me alone, it's nothing serious  
I'll do it myself, it's got nothing to do with you  
And there's nothing you could do

You can see it and you can almost hear it too  
You can almost taste it, it's nothing to do with you  
And there's still nothing that you could do

So come in my cave  
and I'll burn your heart away  
Come in my cave  
and I'll burn your heart away

Please close your ears and try to look away  
So you'll never hear a single word I say  
and don't ever come my way

Leave me alone, it's nothing serious  
I'll do it myself, it's got nothing to do with you  
And there's still nothing you could do

So come in my cave  
and I'll burn your heart away  
Come in my cave  
and arrest me for my mistakes

Yeah.
