

# Muse, Citizen Erased

Break me in,  
Teach us to cheat  
And to lie, cover up  
What shouldn't be shared?  
All the truth unwinding  
Scraping away  
At my mind  
Please stop asking me to describe him

For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open minded  
I'm sure I used to be so free

Self expressed, exhausting for all  
To see and to be  
What you want and what you need  
The truth unwinding  
Scraping away  
At my mind  
Please stop asking me to describe

For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open minded  
I'm sure I used to be so free

For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open minded  
I'm sure I used to be so free

Wash me away  
Clean your body of me  
Erase all the memories  
They will only bring us pain  
And I've seen all I'll ever need
