

# Muse, Darkshines

Passing by, you light up my darkest skies  
You'll take only seconds to draw me in  
So be mine and your innocence  
I will consume

Dark shines  
Bringing me down  
Making my heart feel sore  
'cause it's good

Hold your hands up to your eyes again  
Hide from the scary scenes  
Suppress your fears  
So be mine and your innocence  
I will consume

Dark shines  
Bringing me down  
Making my heart feel sore  
'cause it's good

Your dark shines  
Bringing me down  
Making my heart feel sore  
'cause it's good
