

# Muse, Explorers

Once I hoped to seek the new and unknown  
This planet's overrun  
There's nothing left for you or for me  
Don't give in  
We can walk through the fields  
And feeling nature's glow  
But all the land is owned  
There's none left for you or for me

Who will win?  
'Cause I concede

Free me  
Free me  
Free me from this world  
I don't belong here  
It was a mistake imprisoning my soul  
Can you free me  
Free me from this world

A world lush and blue  
With rivers running wild  
They'll be re-routed South  
With none left for you or for me  
Don't give in  
And hear the engines roar  
And save our crops from drought  
And when the black gold's in doubt  
There'll be none left for you or for me

Fuse helium-3  
Our last hope

Free me  
Free me  
Free me from this world  
We don't belong here  
It was a mistake imprisoning our souls  
Can you free me  
Free me from this world

Aaah...

Free me  
I'll free you  
Free us from this world  
We don't belong here  
It was a mistake imprisoning our souls  
Can you free me  
Free me from this world

Aaah...

Running around in circles feeling caged  
By endless rules.  
Can you free me, free me from this world.  
Aaah.. Shh...  
Go to sleep.
