

# Muse, Neutron Star Collision(Love is forever)

I was searching  
You were on a mission  
Then our hearts combined like  
A neutron star collision

I have nothing left to lose  
You took your time to choose  
Then we told each other  
With no trace of fear that...

Our love would be forever  
And if we die We die together  
And lie, I said never  
'Cause our love would be forever

The world is broken  
Halos fail to glisten  
We try to make a difference  
But no one wants to listen

Hail,  
The preachers, fake and proud  
Their doctrines will be cloud  
Then they'll dissipate  
Like snowflakes in an ocean

Love is forever  
And we'll die, we'll die together  
And lie, I say never  
'Cause our love could be forever

Now I've got nothing left to lose  
You take your time to choose  
I can tell you now without a trace of fear

That my love will be forever  
And we'll die, we'll die together  
Lie, I will never  
'Cause our love will be forever
