

# Muse, Overdue

You needed it when I was away  
And no matter what I say  
You'll never forget when I wasn't there so  
Why should I care?  
I'm young but I know that I'm aroused

You know that I care  
You should have been there  
You know that I care  
You should have been there

It doesn't matter where I have gone  
I just can't afford to  
Pay for all the mistakes that you have made  
It's about time I was paid

I'm young but I know that I'm aroused

You know that I care  
You should have been there  
You know that I care  
You should have been there

You know that I care  
You should have been there  
You know that I care  
You should have been there

You know that I care  
You should have been there  
You know that I care  
You should have been there
