

# Muse, Sunburn

Come waste your millions here  
Secretly she sneers  
Another corporate show  
A guilty conscience grows  
I'll feel a guilty conscience grow  
I'll feel a guilty conscience grow

She burns like the sun  
And I can't look away  
And she'll burn our horizons make no mistake

Come let the truth be shared  
No-one ever dared  
To break these endless lies  
Secretly she cries

She burns like the sun  
And I can't look away  
And she'll burn our horizons make no mistake

And I'll hide from the world  
Behind a broken frame  
And I'll burn forever  
I can't face the shame

And I'll hide from the world  
Behind a broken frame  
And I'll burn forever  
I can't face the shame
