

# Muse, Unfounded

Get me baby!!!  
Get my real love.  
But you're not  
here  
I don't know where I am  
I can't find myself  
please find my soul baby  
but you don't erase my past  
you don't let everything  
you can't plug me cause  
you don't want to  
Cause I'm unfounded  
Lost in the middle of two worlds  
You're the light that can save me but you  
don't want to.  
I'm still unfounded
