

# MxPx, Sad Sad Song

You got a sad sad song, so sing it without me [x2]

Stab out my eyes, cut off my ears  
Cause I don't want to hear what you say  
Cause now you're blaming me for all your bad memories  
When you're the one who threw them away

You got a sad sad song, so sing it without me [x2]  
Cause I don't want to sing along  
No I don't want to sing your sad sad song

You get a good thing going, then you turn it around  
I'm beginning to think you went nuts  
To tell you the truth, I don't really care  
Ok, I really hate your guts

No, no, no, no, no, no, no, no, no, no

You got a sad sad song, so sing it without me [x2]  
Cause I don't want to sing along  
No I don't want to sing your sad sad song

No, no, no, no, no, no, no, no, no, no
