

# My Life With The Thrill Kill Kult, Kooler Than Jesus

Kooler than Jesus?

I don't believe you're listening

Kooler than Jesus?

Hey! We gonna jump up and we go crazy a little for you all

Kooler than Jesus?

(s) &quot;I was raised in Mississippi&quot;

(s) &quot;I am the electric messiah, the AC/DC god!&quot;

Kooler than Jesus?

You know darn well that they're just manipulating you and that's all that they're doing...

All right all right all right everything

Come on baby you can do it

Isn't that nice?

Kooler than Jesus?

Kooler than... God.

I don't believe you're listening

Alright now look at me

I said look at me don't turn your face away

I'm the looking glass you created to see yourself in

Kooler than Jesus?

Have you taken leave of your senses?

Satan Satan

Don't listen to them

Somebody's lying and it's not me

You're twisting my words!
