

My Life With The Thrill Kill Kult, Leathersex

bored with your sex life
oh yeah
bored with your sex life
bored with your sex life
oh yeah
leathersex
embrace this night of power
kneel beside me take my hand
stip before the altar
let's test the blood of our command
groove on
assume the motion
breath the holy pain is resurrects
bathe me in leather
bathe me in leather
drown me in your sex
we tread where angels fear to go
where childish crimes are yours and mine
lick the tears from my face
be my slave
groove on
assume the motion
breathe the holy pain it resurrects
bathe me in leather
bathe me in leatehr
drown me in your sex
where is the action
action is action
action makes things happen
yeah
