

# My Life With The Thrill Kill Kult, Leathersex

bored with your sex life  
oh yeah  
bored with your sex life  
bored with your sex life  
oh yeah  
leathersex  
embrace this night of power  
kneel beside me take my hand  
stip before the altar  
let's test the blood of our command  
groove on  
assume the motion  
breath the holy pain is resurrects  
bathe me in leather  
bathe me in leather  
drown me in your sex  
we tread where angels fear to go  
where childish crimes are yours and mine  
lick the tears from my face  
be my slave  
groove on  
assume the motion  
breathe the holy pain it resurrects  
bathe me in leather  
bathe me in leatehr  
drown me in your sex  
where is the action  
action is action  
action makes things happen  
yeah
