

# My Life With The Thrill Kill Kult, Mindcage

Baby don't stop the disco, baby.  
Mindcage, walk upon a time-stage.  
You're mine inside this mindcage, mindcage freeway.  
Fall into the groove--way.  
Slip into the space-age, mindcage.  
Don't stop the disco, baby.  
How strange, everyone is insane.  
Guess I'm gonna fly away.  
Freeway, fall into the groove way.  
Slip into the space age mindcage, don't stop the disco, baby.  
Guess I'm gonna fly away.
