

My Life With The Thrill Kill Kult, Mr. Eleganza

Hazy Sister Sunshine, is the scum of the city's heat getting to you?
Sister Sunshine.

Mr. Eleganza, has the call of the glitter people clouded your view?
Chrome leather lover, are you bad like the man who's been knocking you down?

Mr. Eleganza, elevate beyond this electric dazzle, lexicon limbo!
His heart is seditious, and dagger slick vicious.

He blinds us with kisses!

Quicksilver boychild, a silent son of the other kind,
slow motion rider, a prisoner of your master's mind.

Dream devil dancer spills the wine of mind's contempt.

Mr. Eleganza, elevate beyond this electric dazzle lexicon limbo.

His heart is seditious and dagger slick vicious.

He blinds us with kisses.

Hazy Sister Sunshine, is the scum of the city's heat getting to you?
Sister Sunshine.

Mr. Eleganza, has the call of the glitter people clouded your view?
Are you bad like the man who's been knocking you down?

Sister Sunshine.
