

# My Life With The Thrill Kill Kult, Sex On Wheelz

Ooo b-baby,  
Sex On Wheelz.  
Ooo b-baby,  
Sex On Wheelz!

I'll turn you on like a tiger baby.  
Hard body, .Motor City.  
Love life!  
I'll take you for a ride, down the mindway baby.  
Be my little human sacrifice.

Do my kisses burn?  
Do they take your breath?  
You've got a lesson to learn now...  
I'm the kiss of death!

History is written by winners baby,  
so let's make a little of our own tonight.  
If you're thinkin' my idea of fun is a drag,  
then you've never been to paradise.

Do my kisses burn?  
Do they take your breath?  
You've got a lesson to learn now...  
I'm the kiss of death!
