My Life With The Thrill Kill Kult, The International

i don't hurt anybody by walking barefoot i don't hurt anybody by working in the garden i don't hurt anybody by just running around at night i don't hurt anybody i just want to be myself the heat is on watch out baby the heat is on watch out baby here we come the heat is on watch out baby the heat is on yeah we're wild on on the run the international sin set a scene of crime it's hot when you're in the international sin set for international sin didn't somebody tie you up the other day why did they tie you up 'cause i said that i was leaving didn't somebody tie you up the other day yeah i was forced to stay some place like a slave sounds real groovy and the house is smooth there's a devil on the floor and he wants to groove to the kool kool rhythm of a dangerous beat he's shakin' up your body to confuse yor feet well it's time to move it so let's get to it trippin' on the bass ya know it makes me want to do it to the ladies of lust that you'll never forget keep on pumpin' to the rhythm of the jammin' sin set
