Mya, Keep On Lovin' Me

Is it really real The love that you feel for me Or is it a game For you to get into my groove But boy don't be dismayed I'd feel it too If I apply to you Boy your love remains the same [Chorus 2XS] Boy I'll give you all I've got All I have is all I get If you remain Remain the same Just keep on lovin' me Cause all that I want to do I'll take the time to show you how it could be Just keep on lovin' me I know your disappointed But what can I do boy To make that change This time I'll do what you say To help you believe And make it better To keep it together [Ad lib until fade]
