

# Mya, Man In My Life

(Verse One)

They'll be no darkness tonight  
Baby our love will shine (light in your love)  
We've had our share of bad times  
But now we're in paradise (loving each other right)  
You're every wonder in this world to me  
I'll never let my baby leave me

(Hook)

Even though we've been through ups and downs  
You know I'll always be around  
Why did you do me that way  
But I still love you baby  
Why did you hurt me that way babe  
Cause you will always be the man in my life

(Verse Two)

Won't you lay back in my tenderness  
Let's make this a night we won't forget  
Boy I need your sweet caress  
So, let's forget about those other days  
We'll make 'em all just fade away  
And never ever let nobody come between us  
I never wanna lose your trust now

(Sub-Hook)

Baby babe even though that I'm a pretty young thang  
You messed up and you did some wrong thangs  
But I don't give a damn 'cause you will always be my man

(Hook)

Even though we've been through ups and downs  
You know I'll always be around  
Why did you do me that way  
But I still love you baby  
Why did you hurt me that way babe  
'Cause you will always be the man in my life

(Bridge)

When you left I thought about so many things  
And boy I never wanna feel this way again  
I got petrified and lost my self control  
I don't ever want you to go nowhere  
Don't ever want you to leave  
Don't go nowhere (don't leave me baby)  
Don't leave me babe (don't leave me baby)  
Woh, oh, ooh

(Vamp Hook)

Ooh boy let me keep you warm  
You are the man  
Fill you with the sweetest love  
Always the man  
Lay back in my tenderness  
You are the man  
Rock me with your sweet caress  
Always the man

(Overlap Hooks)
