Hate!  
Side of my car, tryna see my face  
Hate!  
Wanna me to beat it like the T.I. case

Mad ethic right now

I get it how I live it  
I live it how I get it  
count the motherf\*\*\* digits  
I pullup with a lemon  
not cause she ain;t livin'  
it's just yyour eyes get acidic  
and this here ain;t a scrimmage  
mothaf\* we ain't finished  
I told you we won't stop  
a nigga about business

like yours but you rent it  
wave hello to the top  
Nigga the Veyron glide  
tell the paparazzi get the lens right  
got the window down  
top blowing la  
got the hazards on  
only doing five  
you can catch me  
Rih, in the new La Ferrari

AND the truck behind me got arms,  
yes, longer than LeBron  
Just waiting for my thumb like the Fonz  
Woo!  
This beat taste like lunch  
But it's running from veneers and it's running from the fronts  
but everyday, hey, wasn't lemonade

I was afraid  
once a nigga graduate  
would I be ok?

so I prayed and I prayed  
it's Rihanna, niga  
my constellation in space  
Warp speed  
Doctor Spock couldn't chase  
nigga

nigga bath salt bitin' speakers in the face /8x
