

# Nana Mouskouri, If Love Was That Way

1-

Oh, there was once a time so long ago  
When we shared our lives, our hopes  
I thought that we belonged and if that is true  
How can I go on without you ?

R1-

And I'm never gonna love that way  
Not like I did with you  
Time was mine but doesn't hide my heart  
Life just goes on without meaning  
When we're apart  
And I'm never gonna love that way  
Nothing but memories  
Live inside and never die  
They last forever  
In my heart I know  
If love was that way  
It will always be (It will always be)

2-

And I often hear you laugh  
Through my tears as I'm looking back at us  
You touched me in a place deep in my soul  
Time cannot erase the dreams I hoped

R2-

And I'm never gonna love that way  
Not like I did with you  
Time was mine but doesn't hide my heart  
Life just goes on without meaning  
When we're apart  
And I'm never gonna love that way  
Nothing but memories  
Live inside and never die  
They last forever  
In my heart I know  
If love was that way  
It will always be that way

R3-

And I have been there waiting just for you  
Doesn't matter how much time it takes  
'Cause my love is always true  
And I'm never gonna love that way  
Nothing but memories  
Live inside and never die  
They last forever  
In my heart I know  
If love was that way  
It will always be that way
