

# Nanowar Of Steel, Afraid To Shoot Into The Eyes

Fly on your way, fly as high as the sun  
Wasting love with women in uniform  
Run to the hills, run from your wife  
Caught somewhere in time into acacia avenue

Be quick or be a long distance runner  
No prayer for the long distance runner  
The loneliness of the long distance runner to the hills  
Seventh son of the long distance runner

Afraid, to shoot into the eyes of a stranger  
A stranger in a strange world of a strange land  
Afraid to look to the eyes of a stranger  
The stranger of a stranger in a strange land

Flash of the Blaze, Aces high, falling down  
The evil that the long distance runner do  
Running free, live to fly, fly to live, fly to fly  
Do or diet or be a long distance runner

Children of Charlotte the harlot  
The number of Charlotte the harlot  
Fear of the virus of Charlotte the harlot  
The virus of the ancient Mariner

Afraid, to shoot into the eyes of a stranger  
A stranger in a strange world of a strange land  
Afraid to look to the eyes of a stranger  
The stranger of a stranger in a strange land

Afraid, to shoot into the eyes of a stranger

Can I play with Charlotte the harlot  
Hallowed be thy Charlotte the harlot  
You'll take my virus but I'll take yours too  
Only the long distance runner die young

Afraid, to shoot into the eyes of a stranger  
A stranger in a strange world of a strange land  
Afraid to look to the eyes of a stranger  
The stranger of a stranger in a strange land
