

Natalie Cole, So Many Stars

From the album Ask A Woman Who Knows

(Sergio Mendes - Alan Bergman - Marilyn Bergman)

The dark is filled with dreams

So many dreams which one is mine

One must be right for me

Which dream of all the dreams

When there's a dream for every star

And there are oh so many stars

So many stars

The wind is filled with songs

So many songs which one is mine

One must be right for me

Which song of all the songs

When there's a song for every star

And there are oh so many stars, so many stars

Along the countless days, the endless nights

That I have searched so many eyes

So many hearts, so many smiles

Which one to choose, which way to go, how can I tell

How will I know, out of, oh

So many stars, so many stars

- Musical Interlude -

Yes, the wind is filled with songs, so many songs

Which one is mine, one must be right for me

Which song of all the songs

When there's a song for every star

And there are, oh, so many stars, so many stars

Along the countless days, the endless nights

That I have searched so many eyes

So many hearts, so many smiles

Which one to choose, which way to go, how can I tell

How will I know, out of, oh, so many stars

So many stars, (so many stars) oh, so many stars

(So many stars) oh, there are so many stars

(So many stars) lots and lots of stars, oh so many (so many)

Oh, so many (stars), many

So many, many (so many) stars (stars)...
