Natalie Cole, Sorry

We used to be so very happy and we used to have so much fun

And we used to spend our time together, we were as close as anyone

I used to feel your every feeling, I was a part of your every dream

I'm not saying that you've thrown me aside, but oh that's just the way that it seems

So if I've done anything that I shouldn't have done,

Wanna say I'm sorry, darling, I'm so sorry

And if I said anything that I shouldn't have said, I'm sorry, sorry, yeah

Now we're just getting used to a brand new situation

And I found out that temptation just won't let ya do good

So we must sit down and talk and be for real to each other

Cause I don't want my love for you to be misunderstood

If I've done anything that I shouldn't have done,/p>

I'm sorry, oh baby, I'm so sorry, if I said anything that I shouldn't have said

(I'm sorry) I'm sorry, I'm sorry, oh Lordy I'm so sorry

(Sorry) Sorry, sorry, hey----(sorry), if I've (if I've done anything) done anything

I (that I shouldn't have done) shouldn't have done

(I'm sorry) I'm sorry, baby, I'm sorry, (If I said anything) If I, if I said anything I

(That I shouldn't have said) shouldn't have said well I'm so

(I'm sorry) sorry, sorry, sorry, (If I've done anything)

I'm really, really sorry, baby, (that I shouldn't have done)

Ooh baby, I'm (I'm sorry) sorry, sorry, sorry, I'm (If I said anything) sorry, I'm sorry

(That I shouldn't have said) I'm so sorry, I'm sorry, sorry, really sorry

I'm so sorry, Yeah, sorry, I'm so sorry, sorry
