

Nazareth, Called Her Name

(copyright Nazareth, Tiflis Tunes, inc.-ascap)

Called her name, but the wind blew strong.
I called in vain, though I tried so long.
Called the sea to bring her home,
But the sea don't hear and I'm still alone.
I feel an emptiness inside,
Something within me I can't hide.

Standing here looking at the sky,
But the light I see can't tell me why
I feel an emptiness inside,
Something within me I can't hide.

Every time I stop to think
That's the time I get lonely,
That's the time it hurts the most
Every time I get lonely.

What went wrong, who am I to blame?
Did I take too long to call her name?
I feel an emptiness inside,
Something within me I can't hide.
