Nazareth, Called Her Name

(copyright Nazareth, Tiflis Tunes, inc.-ascap)

Called her name, but the wind blew strong. I called in vain, though I tried so long. Called the sea to bring her home, But the sea don't hear and I'm still alone. I feel an emptiness inside, Something within me I can't hide.

Standing here looking at the sky, But the light I see can't tell me why I feel an emptiness inside, Something within me I can't hide.

Every time I stop to think That's the time I get lonely, That's the time it hurts the most Every time I get lonely.

What went wrong, who am I to blame? Did I take too long to call her name? I feel an emptiness inside, Something within me I can't hide.
