

# Nazareth, Country Girl

(copyright Nazareth, Tiflis Tunes, inc.- ascap)

You are a girl from the country  
Your eyes remind me of the sun  
You came to visit in the city  
And won the heart's of everyone

You are a girl from the country  
Your hair is coloured like the corn  
I have never been outside the city  
I am no friend to anyone

chorus:

Country girl, won't you stay a while  
Won't you stay a while with me?  
Country girl, won't you stay a while  
Let me see you smile for me

lead

You are a girl from the country  
Before you came, I was alone  
Please say you'll take me to the country  
And let me share your country home
