Nazareth, Country Girl

(copyright Nazareth, Tiflis Tunes, inc.- ascap)

You are a girl from the country Your eyes remind me of the sun You came to visit in the city And won the heart's of everyone

You are a girl from the country Your hair is coloured like the corn I have never been outside the city I am no friend to anyone

chorus:

Country girl, won't you stay a while Won't you stay a while with me? Country girl, won't you stay a while Let me see you smile for me

lead

You are a girl from the country Before you came, I was alone Please say you'll take me to the country And let me share your country home
