

Nazareth, Enough Love

You give without takin'
I take what I need
I need what you're givin'
You give me belief
And when I wake in the morning, baby
I feel the strength renew
To face the world on the outside maybe
'Cause on the inside is you.

It's been a long road travelled on
It's been a long road home.

I've got enough love now
I've got enough love now
I've got enough
I've got enough love
I've got enough love now.

The way that you love me
The light in your smile
All the pleasure you give me
On that extra mile
And when I think that I'm fallin', honey
You're my safety net
The world doesn't scare me no way
Can there be more love left.

It's been a long road travelled on
It's been a long road home.

I've got enough love now
I've got enough love now
I've got enough
I've got enough love
I've got enough love now.

It's been a long road travelled on
It's been a long road home.

I've got enough love now
I've got enough love now
I've got enough
I've got enough love
I've got enough love now.

I've got enough love now...
I've got enough love now...
I've got enough love now...
I've got enough love now...

I've got enough love.
