

# Nazareth, Fool About You

(copyright Nazareth, Tiflis Tunes, inc.-ascap)

Sometimes I feel I've been hung on a line,  
Wasting my time.  
Sometimes I feel I've been hung upside down,  
You turned me around, just a fool about you.

Sometimes I feel I've been left on the moon,  
Fed with a spoon.  
Sometimes I feel like a dog with no bone,  
Or a toad with no stone, just a fool about you.

Sometimes I feel like saying goodbye  
'Cause I'm living a lie.  
Sometimes I feel like a clock with no time,  
Or a verse with no rhyme, just a fool about you.

Sometimes I feel like a bird with no wing,  
Or a bee with no sting.  
Sometimes I feel like a train with no line,  
Or a glass with no wine, just a fool about you.

Everybody knows I'm a fool about you,  
Gonna fool, just a crazy fool.  
Everybody knows I can't live without you,  
So what am I gonna to do?
