

Nazareth, Moonlight Eyes

Moonlight eyes, I see you smile
It lightens up my night
Your smile takes all the fight out of me
Moonlight eyes, I hear you crying
It robs me of my pride
There's nothing I can hide from moonlight eyes
I got no control
You just roll me like the sea
Oh moonlight eyes

Moonlight eyes, you're growin' now
I'll soon be out of touch
You'll lose that innocence
That cost so much
Moonlight eyes, you'll find your pain
You'll say that I'm all wrong
There'll always be a place where you belong
I got no control
You just roll me like the sea
Oh moonlight eyes
Tell your sweet lies only to me, only to me

Moonlight eyes, you soothe me
Moonlight eyes, you're easy on my soul
Moonlight eyes, you are the reason
The meaning in the words
The words to every song I've ever heard
Paralysed in sweet surprise
Your every wrong is right
One look into your night
Oh moonlight eyes
I got no control
You just roll me like the sea
Oh moonlight eyes
Tell your sweet lies only to me, only to me
Moonlight eyes
