

Nazareth, Open Up Woman

I'm beggin' forgiveness
But it's gonna take a miracle
'Cos I've been lyin'
She don't wanna know and I think it's impossible

Said open up woman
I know that you're sad and lonely
If I could hold you
We could make it again

Listen all you men
Be good and be warned
Hell hath no fury
Like the wrath of a woman scorned
Open up woman
Give me a chance

No more lyin'
No more secrets
If I could make you
I would take you away and cover up your sadness
I keep sayin' open up woman
But you don't wanna hear my promise
If I can't have you
Then I don't need a heart

Listen all you men
Be good and be warned
Hell hath no fury
Like the wrath of a woman scorned
Open up woman
And give me a chance

Listen all you men
Be good and be warned
Hell hath no fury
Like the wrath of a woman scorned

Livin' in silence
Of my own makin'
Though she won't show me
I know that her heart and soul are achin'

Open up woman
I know that you're lost and let down
I'm gonna keep tryin'
'Stead of losin' again

Listen all you men
Be good and be warned
Hell hath no fury
Like the wrath of a woman scorned

Open up woman
And give me a chance

Open up woman
Open up woman
