Nazareth, The King Is Dead

(copyright Nazareth, Tiflis Tunes, inc.-ascap)

I have not come to worship you Or lay flowers at your throne

I have not come to plead or beg Or to claim what is my own

Oh, I know you are the King And you say your word is Law

I have come to cut you down And to leave your body dead

You do not mean so much to me Nor that crown upon your head

You are just the same as me You are only flesh and blood And the time has come For you to die.

And now you plead, please spare my life You know, I'm the Chosen One

I don't believe what you've decreed And I must do what must be done

You say you're the only king But your words just fall like rain And the time has come For you to die.
