

Nazareth, Waiting

Waitin' ?got a leash around my neck
Trainin' ?I'll never be your pet
Dyin', sighin'
You got me flyin', cryin'

I've been waitin' ?standing by your side
Prayin' ?tryin' to turn the tide
Spinnin', grinnin'
You got me flyin' high

Waitin' ?I've been tryin' to state my case
Racin' ?Tryin' to keep it in the chase
Slippin', slidin'
I'm gonna be seekin', findin'

You're strokin', I'm smokin'
Your're playin' and I'm layin' a plan
I'm getting' all the lovin'
I'm getting' all the lovin' I can

You're leadin' me astray
I'm pleadin' - I'm leadin'
You're feedin' ?I'm beggin'

Waitin' - seems like all my life
Skatin' ?livin' on thin ice
Dreamin', schemin'
You're gonna do me in

Waitin' ?When are you gonna come back?
Strung out ?You got me on the rack
Duckin', divin'
I'm gonna be midnight drivin'

You're takin', I'm breakin'

I'm shakin' and it's makin' me bad ?I'm so sad
I'm reelin' all the feelin'
I'm reelin' all the feelin' I can

I've got to make you stay
You're leavin' ?I'm grievin'
You're sellin' ?I'm buyin' ?you're lyin'

You're prayin' and I'm layin' a plan
I'm gettin' all the lovin'
I'm gettin' all the lovin' I can

You're leadin' me astray
I'm pleadin', I'm needin'
You're feedin', I'm beggin'

I'm shakin' and it's makin' me bad ?I'm so sad
I'm reelin' all the feelin'
I'm reelin' all the feelin' I can

I've got to make you stay
You're leavin' ?I'm grievin'
You're sellin' ?I'm buyin' ?you're lyin'
