

# Neil Young & Crazy Horse, Ocean Girl

In the jungle land  
With the sea and the sand  
Can I meet you there?

We'll be drinkin' bananas  
From long tall glasses  
In the open air.

Ocean girl  
Come 'round the world  
From forgotten shores.

There'll be music playin'  
What no words could say  
When you first get there.

We'll be lost in a corner  
That we find in each other  
There' so much to share.

Ocean girl  
Come 'round the world  
From forgotten shores.
