## Neil Young, Rainin' In My Heart

Rainin' in my heart Since we been apart I know I was wrong Baby please come home

You got me cryin'
'Bout to lose my mind
Don't let me cry in vain
Try my love just once again

Spoken:

Honey, I need your love Darlin', you know why If you would come back home There'll be no need for me to cry

Sings: Rainin' in my heart Since we been apart I know I was wrong Baby please come home
