

# Neko Case, I Wish I Was The Moon

Chimney falls and lovers blaze  
Thought that I was young  
Now I've freezing hands and bloodless veins  
As numb as I've become

I'm so tired  
I wish I was the moon tonight

Last night I dreamt I had forgotten my name  
'Cause I had sold my soul but awoke just the same  
I'm so lonely  
I wish I was the moon tonight

God blessed me, I'm a free man  
With no place free to go  
I'm paralyzed and collared-tight  
No pills for what I fear

This is crazy  
I wish I was the moon tonight

Chimney falls and lovers blaze  
Thought that I was young  
Now I've freezing hands & bloodless veins  
As numb as I've become

I'm so tired,  
I wish I was the moon tonight

How will you know if you found me at least  
'Cause I'll be the one, be the one, be the one  
With my heart in my lap  
I'm so tired, I'm so tired  
I wish I was the moon tonight
