

# Nekromantix, Brain Error

He was born with an error in his brain  
Some people call him mad some call him insane  
A little devil lives inside his head  
He can only be satisfied by the sight of blood and dead

He was born with an error in his brain

He was only 9 when he brought his first knife  
And that the end of his brothers life  
He killed his sister because she called him mad  
2 years later he killed his mom and dad
