

# Nelly, Blessed

I may never climb a mountain  
So I can see the world from there  
I may never ride the waves  
And taste the salty ocean air  
Or build a bridge  
That would last a hundred years  
But no matter where the road leads  
One thing is always clear  
I am blessed  
I am blessed  
From when I rise up in the morning  
Til I lay my head to rest  
I feel You near me  
You soothe me when I'm weary  
Oh Lord, for all the worst and all the best  
I am blessed  
All along the road less traveled  
I have crawled and I have run  
I have wandered through the wind and rain  
Until I found the sun  
The watching eyes ask me why  
I walk this narrow way  
I will gladly give the reason  
For the hope I have today  
repeat chorus  
You've given me joy  
You've given me love  
You give me strength  
When I want to give up  
You came from heaven  
To rescue my soul  
This is the reason I know, I know  
repeat chorus
