

# Nelly feat. Tim McGraw, Over And Over - Tim Mc

Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause it's all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it yeah I can't shake it  
Nooo

I can't wait to see you  
Want to see if you still got that look in your eyes  
That one you had for me before we said our goodbyes  
And it's a shame that we got to spend our time  
Being mad about the same things  
Over and over again  
About the same things  
Over and over again  
Ohh  
But I think she's leaving  
Ooh man she's leaving  
I don't know what else to do  
(I Can't go on not loving you)

Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again yeah  
And I can't take it yeah I can't shake it  
Nooo

I remember the day you left  
I remember the last breath you took right in front of me  
When you said that u would leave  
I was too damn stubborn to try to stop you or say anything  
But I see clearly now  
And this choice I made keep playing in my head  
Over and over again  
Playing my head  
Over and over again  
Ohh

I think she's leaving  
Ooh man she's leaving  
I don't know what else to do  
(I Can't go on not loving you)

Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it I can't shake it  
Nooo

(Now that I've realizes that I'm going down  
From all this pain you've put me through  
Every time I close my eyes I lock it down

ohh I can't go on not loving you)

Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it I can't shake it  
Nooo

Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it I can't shake it  
Nooo

Over and Over again  
Over and Over again  
Cause it's all in my head
