

Neon Horse, The Bathroom Wall

She like the boys with the black hearts.
She got an eye ta match.
Tattoo on her neck says,
"Burn bright and fast!"

She's a star, man.
Just ask her.
Light you up and take you down in flames.
Tell the truth, I'm still laughing.
But maybe she's your thing.

She comes late if she comes at all.
Don't you know her name?
Picture on the bathroom wall.
Jones' hall of fame!
