

# Netty (Aneta Gąsiewicz), 2 On (feat. Costec Beat

Give me all that you got now  
Make you want me 'cause I'm high now  
I'm gone, so faded I'm on one  
Bang bang, 'bout fly like a long gun

If you ain't laid  
Nigga, you ain't making no noise  
Get faded, turn up with the big boys  
Live fast, die young, that's my choice  
Get money, get money like an invoice

Live your money on the whip  
Make the money make a grip  
I'll be standing with my click  
Getting faded til we trip

Man, I love to get on  
I love to get you on  
When the drink make you strong  
When treat be way too strong  
Get faded, turn up, real poet  
All night, turn like you even think no more  
Get ratchet, go dumb, then come on dumb  
We can keep it in, let's roll

I love to get you on  
(let's roll)  
I love to get you on  
I love to (let's roll)  
I love to get you on  
(let's roll)  
(let's roll)  
I love to get you on  
I love to (let's roll)

If we can get active  
And all, come bitches attracted  
We go, we know who we are now  
Get high  
Like bus in the car now  
If you ain't laid  
Nigga, you ain't making no nose  
Get faded, turn up with the big boys  
Live fast, die young, that's my choice  
Get money, get money like an invoice

Live your money on the whip  
Make the money make a grip  
I'll be standing with my click  
Getting faded til we trip

Man, I love to get on  
I love to get you on  
When the drink make you strong  
When treat be way too strong  
Get faded, turn up, real poet  
All night, turn like you even think no more  
Get ratchet, go dumb, then come on dumb  
We can keep it in, let's roll

I love to get you on  
(let's roll)  
I love to get you on  
I love to (let's roll)

[Costec Beatz:]  
Just give me the trees  
And we can smoke it ya  
Just give me the drink  
And we can pour it ya  
And my enemies they see me living now  
And if you roll me then you?ll be winning now

Man, I love to get on  
I love to get you on  
When the drink make you strong  
When treat be way too strong  
Get faded, turn up, real poet  
All night, turn like you even think no more  
Get ratchet, go dumb, then come on dumb  
We can keep it in, let?s roll

I love to get you on  
(let?s roll)  
I love to get you on  
I love to (let?s roll)
