

# Netty (Aneta Gąsiewicz), Feeling Good

Hey Baby  
It's gonna be the night  
Hope you know  
How you can blow my mind  
Things you do make me feel so fine  
So good  
So good to have you now

Coz when you put your arms around me  
There's nothing that makes me so good  
I can talk, talk, talk about it  
I feel you, sex boy  
I'm feel you!  
/2x

I just want to know  
If you will be there forever for me  
You make me feel so good  
makes me feel so good  
Baby don't you see  
I'm going crazy when you're next to me?  
You make me feel so good  
makes me feel so good

Hay baby  
So tell me what to do  
Let me know  
I know you want it too!

Coz when you put your arms around me  
There's nothing that makes me so good  
I can talk, talk, talk about it  
I feel you, sex boy  
I'm feel you!  
/2x

I just want to know  
If you will be there forever for me  
You make me feel so good  
makes me feel so good  
Baby don't you see  
I'm going crazy when you're next to me?  
You make me feel so good  
makes me feel so good
