

# Nick Carter, Rockstar Baby

Everybody's talkin  
and they don't know why  
It's just a little frustratin'  
for all them guys  
Some cats don't got the gas to move it  
and they don't go far  
Cause all the ladies wanted someone to drive their car  
Sing it

Ohhhh...you bring the freak out in me, yeah yeah

Cause you're a

Rockstar baby  
you can do no wrong  
You're a new sensation  
you can turn it on  
Got a twelve volt battery  
you make it hot  
Cause you're a rockstar baby  
a rockstar baby, yeah

I like the kind of girls  
who wanna get it on  
I wanna be at every party  
till the break of dawn  
They gotta trip to Nirvana  
and to POD  
I gotta find me a girl who's just as dirty as me.  
Sing it...

Ohhh...you bring the freak out in me...yeaah

You're just a

Rockstar baby  
you can do no wrong  
You're a new sensation  
you can turn it on  
Got a twelve volt battery  
you make it hot  
Cause you're a rockstar baby  
a rockstar baby, yeah

Ohhh yeaah ooooohh  
Ohh yeah- I know you feel me baby, you're a star that's what you are

Everybody's talkin  
and they don't know why  
It's just a little frustratin'

Some cats don't got the gas to move it  
and they don't go far  
Cause all the ladies wanted someone to drive their car
