I Put A Spell On You

From Department of Enjoyment, NME compilation cassette; available on some bootlegs.

I put a spell on you, 'cause you're mine  
You'd better stop those things that you're doin'  
Oh, honey, I ain't lyin', no

Wow, you better quit it, your messin' around  
You better quit it, your foolin' around  
I put a spell on you, wow, cause you're mine

It serves you right to suffer  
It serves you right to be alone  
Oh, you forever live the day I done packed and gone (?)

Oh you better kick it before it kicks you  
Oh, you better quit it, it's true  
I put a spell on you, wow, cause you're mine, mine, mine

You better quit it, your foolin' around  
You better quit it, kick it, .... , oh you're messin' around  
I put a spell on you, you, cause you're mine
