

# Nick Jonas, Take Over, Nothing Would Be Better

Nothing's forever, nothing will be better  
In the love you're giving me  
I just gotta have you  
Wish you didn't have to win  
You're gonna set me free  
Like it or not  
We were doomed from the start  
I know that you're clear  
But Nothing's forever, nothing will be better  
Better than you and me

Than you and me  
Than you and...

I take the worst of what you got  
It hurts more than sticks and rocks  
You know I'll need it  
You know I'll be there  
And I would be a punching bag  
Throw it all and don't hold back  
Still I'll be there  
You know I'll be there

Cause I used to live in fear, it was my home  
But there are harder things to be, than all alone  
Your the broken part of me that makes me hold  
But so unsure

Nothing's forever, nothing will be better  
In the love you're giving me  
And I just gotta have you  
Wish you didn't have to win  
You're gonna set me free  
Like it or not  
We were doomed from the start  
I know that you're clear  
But Nothing's forever, nothing will be better  
Better than you and me

Than you and me  
Than you and...

We don't turn around  
Unless we're throwing stones  
And we're crying like these cracks are in my bones  
Your the broken part of me that makes me hold  
But so unsure

Your the broken part of me that makes me hold  
But so unsure

Nothing's forever, nothing will be better  
In the love you're giving me  
And I just gotta have you  
Wish you didn't have to win  
You're gonna set me free  
Like it or not  
We were doomed from the start  
I know that you're clear  
But Nothing's forever, nothing will be better  
Better than you and me
