

Nick Jonas, Under You

[?]

That I never got a chance to hit
Chance to hit
But in my mind
Baby I can taste your lips
Taste your lips

I was so foolish
On some stupish
Should have never let you go
Knowing that you left
Messes with my head
Shadows of you are haunting me now

So I'll never get over
Never get over
Not getting under you
Getting under you
No I'll never get over
Never get over
Not getting under you
Getting under you

Poured glass
But I never got to take a sip
Take a sip
I've been around the world
But baby you're my only fix
My only fix

I was so foolish
On some stupish
Should have never let you go
Knowing that you left
Messes with my head
Shadows of you are haunting me now

So I'll never get over
Never get over
Not getting under you
Getting under you
No I'll never get over
Never get over
Not getting under you
Getting under you

Had a heart attack
Full speed
Swerve off track
Can't breath
Where you at? /3x
Ain't no way to take you back
I've become this heart attack
Everywhere I see you face
And it kills me everyday

I was so foolish
On some stupish
Should have never let you go
Knowing that you left
Messes with my head
Shadows of you are haunting me now

So I'll never get over

Never get over
Not getting under you
Getting under you
No I'll never get over
Never get over
Not getting under you
Getting under you
