

Nicki Minaj, Bed (ft. Ariana Grande)

got a bed, with your name on it
with your name on it
got a kiss with your name on it
with your name on it

thousand on the sheets
waiting for you and some thousand other sheets

I got the carter III in repeat
back shots to the beat of a mili' on you
got me acting like you
got a milli' on you
you say I am the GOAT, yes the Billy on you
I could make all your dreams come true
wanna fall through
then you better come through

don't make me awake until the morning

got a bed, with your name on it
with your name on it
got a kiss with your name on it
with your name on it
love me good
let me down
don't turn me down
got a bed, with your name on it
with your name on it

strawberry lingerie
waiting for you
strawberry lingerie

you told me yu want a way
messed around /2x
out it down on you
I'mma do everything I said I'm gonna do
pretty little body in a bad and on you
might have to blubber like a feather on you
what if alls
you better come true

don't make me awake until the morning

got a bed, with your name on it
with your name on it
got a kiss with your name on it
with your name on it
love me good
let me down
don't turn me down
got a bed, with your name on it
with your name on it

all, all in
I'm in
all in /5x

he and my stunt hit 5
he get the ciggy live
these niggas scared they doing 50 in 55
I'm tryna clap them like nobody told 'em gimme 5
I;m be a half an hour but I told 'em gimme 5
I'm tryna dance on 'em

blow my advance on 'em
I like 'em better when he got some sweatpants on 'em
I like this hang time
he said his head right
I said go all the waydown and then head right
I watch him fuck it up
look at him lucking up
I said you need some thick skin
baby, stuck it up
he go insane on it
I put my fame on it
coulda pitt Zayn on it
I put your name on it

got a bed, with your name on it
with your name on it
got a kiss with your name on it
with your name on it
love me good
let me down
don't turn me down
got a bed, with your name on it
with your name on it
