

Nicki Minaj, Dreams 07

As I sit back, relax, crack jokes for minute.
I think about the up and comers that could prolly get it.
I might go to jail for fucking with Hell Rell.
If he get I'll and pull on my ponytails.
I heard Maino life was like a movie
Set up the cameras, fuck him in the jacuzzi.
Freaky Zeeky that should be easy.
He just came home, I know he wanna bone. (I know he wanna bone)
(But what about J.R Writer) I'm a skill 'em
And when I wr-wr-write 'em, I'm a grill em.

But I ain't tryna be dr-drippin' in Gino Green. (No Gino Green)
Tell Stack to bring the black card up.
But if I fuck him, would he, would he yell SQUAD UP!
Tell Rich Boy to send me a pink toy.
Throw sum d's on it and I might breath on it.
And when I'm in Philly, I gotta fuck Gilly.
Snatch his big mac and slap a bitch silly.
Dreams of fuckin' a rap rap dude. (I'm just playin'. But I'm sayin'.)

Tell 'em to kick rocks or give me some top.
I'm on my way to Jerz break ransom off.
(Slurp) Quench his thirst when my pants come off.
Murda Mook and Milz gon' have to battle.
Scoop who ever win and tell 'em to ski-daddle.
Run up on Mims, he could give me back shots.
