Nicki Minaj, Whip it

Hey, you, jump in this ride It's real nice, and slippery inside Rise, eyes, come get this pie Ride it in style Said it a minute ago, I did it a minute ago I drop it, I pick it slow, I want it, I kick it though Cause they know that I got that Gucci Said I'm bad, but I could be a good bitch

Please my body, rock my body Boy, you make me go Na na na na na me go Please my body, heal my body Boy, you make me go Na na na na na me go

We gon'...

Hey stranger over there I'm really liking that way You whip it whip it Yeah, I want you everyday You're so right, you're so tight You got my world spinning You got my world spinning My head goes round and around, round and around Now I'm thinking If we could be, stranger what you say? I'm really liking that way You whip it whip it whip it

Na na na na na me go

Na na na na na me go

Is that my cue? I'm looking for some brain To boost my IQ I'm like 5'2, my SAT scores were high too But I don't wanna brag louis vuitton bag Hopped out the Jag, preceded to shag, shag them Slim, trim, also light skin So pe pe petta put the pipe in

Please my body, rock my body Boy, you make me go Na na na na na me go Please my body, heal my body Boy, you make me go Na na na na na me go

We gon'...

Hey stranger over there I'm really liking that way You whip it whip it Yeah, I want you everyday You're so right, you're so tight You got my world spinning You got my world spinning My head goes round and around, round and around Now I'm thinking If we could be, stranger what you say? I'm really liking that way You whip it whip it whip it Na na na na na me go

Na na na na na me go
