

Nicky Romero & Nile Rodgers, Future Funk

Baby I'm a rock star
I do this every day
Special my guitar
Is like a Kurt Cobain
Mother, fathers

Forget about the world
But don't forget about my name!

6 girls
Hotel rooms
The Games we play have got no rules
Coz when I do I always overdo
Knock, knock
Whose at the door

Baby I'm a rock star
I do this every day
Special my guitar
Is like a Kurt Cobain
Mother, fathers

Forget about the world
But don't forget about my name!
